**Education  
wasn't for me**

**Add  
qualifications  
and experience  
to my CV**

**Experience is as  
valuable as a  
qualification**

**I didn't have  
any experience  
and wanted  
support**

**I wasn't sure  
whether to go  
to work or  
college**

**I wanted job  
security -  
qualifications  
are important**

**Changes in the  
job market**

**I was bored in  
education**
