

# What's next after 18+?

#16+CAREERSWEEK

## Overview

Understand what you can study after level 3 qualifications

- Discuss alternative routes into higher education - from University degrees to Higher Apprenticeships
- Summarise UCAS points system, University application process and important factors to consider
- Outline routes into further training and employment

## Objectives

- Have a wider understanding of the routes in to employment post level 3 study
- Evaluate which route is best for your career pathway and study patterns
- Be able to identify at least two routes to your chosen future occupation

## Resources

- Videos and Bitesize Bingo Sheets
- Extended Lesson Plan and PPT Slides
- Individual Activity - use our Brighter Futures Worksheet to present someone who inspires you and why
- Group Activity - complete our Stockport Alumni discussion sheet to look at the success stories of others in our community
- Explore our other resources, videos and downloads
